Buchanan, MD, Wilson Gas Service, The Highlander Newspaper, Summer House, WHLC 104.5

## Get ready for Playhouse Bingo next week

The Rotary Club of Highlands and Highlands Playhouse will offer an evening of Bingo with proceeds to benefit the Playhouse on Thursday, August 6 from 6:30 – 8:30 at the Highlands Community Building. The cost to play is \$1 per card per game and there will be 15 games with Game 15 being a surprise money game sponsored by Highlands Decorating Center.

In addition to Playhouse Bingo cash prizes, some games will also have a distinctive art glass piece from Bryant Art Glass to accompany the cash prize. Bill Nellis and Tay Bronaugh will be Emcee and Caller. If you've been to the Playhouse in the last 30 years you've heard Henry Johnson introduce the evening's performance – well, Henry will be at Playhouse Bingo to call a few games.

There are several table ads available for \$50 per table. This money goes directly to the Playhouse. For businesses this is an advertising expense; for individuals it is a 501C(3) donation.

Half of all Bingo money goes to Bingo players as prizes and the remaining half plus all donations go to Highlands Playhouse.

Playhouse Bingo is a family-style event that offers fun, a lot of humor, free refreshments served by Highlands Boy Scouts and the chance to win Bingo money.

## Welcome our new members!

From left: Brian Stieler, Course Superintendent Highlands Country Club, Joe Cooley, Town Planning and Development Director and Joe Deckman. President Paul Schmitt stands with the newly inducted members last week.

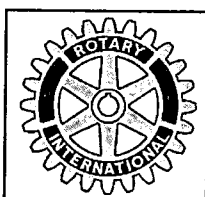

District Governor Carol King stands with President Paul Schmitt after her address to the Club last week. King spoke about, "Why I am a Rotarian" citing the work that Rotary has accomplished and Rotary's goals for PolioPlus, clean water, literacy, food and medical care. As fundamentals for peace, these goals represent a basis for The Future of Rotary is in Your Hands.

## Upcoming Programs

### August 4: Dr. Raynor L. Duncombe

Dr. Duncombe is Professor Emeritus in the Aerospace Engineering Department at the University of Texas. Duncombe has been involved with NASA since its founding and will speak about its early days and the integration of Werner von Braun and other German scientists into the NASA program.

### August 11: Membership

Derek Taylor and Tony Potts, co chairmen of Membership, will speak.
