LAST WEEK'S PROGRAM

Last week John Chaffee spoke to the club as "Uncle Sam"

After a career in broadcasting, John began pursuing my lifelong dream, songwriting. Last year, following the appointment to the position of Treasury Secretary of a man who didn't pay his taxes, John began work on "Play By The Rules". The audio track was recorded in Nashville at Trax Studios, and in the summer, at Cleveland, Ohio locations, the video was shot and produced at Commercial Recording Studios. The song has been featured in Country Weekly and UpCountry (UK) magazines, and in November won the 2009 Hollywood Music in Media Award for best country song. John, as Uncle Sam (Chaffee Kid) made his first speaking appearance in Florida in March, addressing the "state of the nation". John is a part time resident of Glenville, NC.

President's Corner

Today we will have two check presentations, similar and yet different. The Board approved a request from Highlands Boy Scouts for \$1000 to be used to purchase tents and other camping equipment for the expanding Troop. Rotary Bingo will present a check for just over \$1000 to the Blue Ridge Free Dental Clinic to be used to restore children's teeth. Two different avenues but one direction - Building Communities. .
