TODAY'S PROGRAM

Mayor David Wilkes will provide an update on the Town.

LAST WEEK

Macon County Airport Authority member Pete Haithcock provided the club with an update on the airport during last week's meeting.

Haithcock, left, is pictured with Club President Bill Futral.

Last Saturday Brian Stielher, Rick Reid, Jodie Cook and I attended our district's mid-year assembly. We heard a lot of the same material we have heard in the past, but several new topics were presented that made the trip worthwhile. We learned that our district has eight out-bound and ten in-bound students in the Youth Exchange Program. Our club should be proud that we have sponsored and in-bound student, Angeline Raffenne and two out-bound students Samuel Craig and Hayden Bates. If you would like to know more about our district check out the website or plan to attend an assembly.
