

Rotary Club of Highlands

Tuesday, October 9, 2012

President's Corner

TODAY'S PROGRAM

**Highlands School
Principal Brian Jetter**

LAST WEEK

During last week's meeting, Western Carolina University Chancellor David O. Belcher spoke to the club about current initiatives taking place at the university. Belcher, left, is picture with club president Brian Stiehler.

October is Vocational Service Month in Rotary. Membership in Rotary is based on one's profession with each Club, striving for a diverse group of professional backgrounds. Highlands Rotary is an excellent example of Rotarians using their areas of expertise for the benefit of our community and world.

Last Thursday, Rotary partnered with Cub Scouts for a successful evening of bingo, which you will hear more about. Also, mark your calendars for October 27, when Rotary Club of Highlands takes on three other community teams in Donkey Basketball! Pastor Paul has been training hard, and this is an evening you do not want to miss... all proceeds benefit the Highlands School and specifically the Prom.

Yours in Rotary,
Brian
