#### **President's Corner**

Thanks to Michell Hicks, Principal Chief of the Eastern Band of the Cherokee Tribe for bringing a most helpful program to us last week. This remarkable young man provided an overview of the good things that are happening with the Tribe in North Carolina. Those of us in this part of the world are very much involved the history of Native Americans and we are grateful for his leadership for his people which is clearly improving their lives. He shared that there are 15,000 people in his Tribe that live on 56,000 acres of land around Cherokee. A major source of income is connected to gaming and recreation but great strides are clearly being made to diversify, to be fiscally responsible and to provide for the health and education of those he represents. Good days are ahead because of his efforts and guidance. A number of important announcements were made as we enter into this holiday season. Rick Reid is organizing for our members to serve as crossing guards on Halloween and he is also heading up the work day at the town park on Nov. 6. Steve Perry asked all veterans to wear service-related attire, including medals, to the meeting on Nov. 11 so that we might honor them on Veteran's Day. Help is needed on the Tuesday before Thanks giving to distribute meals - see Pete Ray about that. The District dinner, celebrating 100 years of Rotary in Western North Carolina is scheduled for Nov. 19. Cynthia Dendy had the mouse pads that we contributed to the Highlands School and we announced again that there is an opportunity to support REACH by bringing non perishable items to the police station. Lastly, volunteers are needed to solicit Club Sponsors. Talk to Robert E. Smith about that. Pete Ray, President
