Presidents Message

What a great program last week, with Tay Bronaugh introducing the 2014 Highlands School Valedictorian and Rotary Scholarship recipient Emily Gabbard. Emily has just completed her Freshman year at UNC Chapel Hill as a participant in the GAP year program. She gave such an impressive presentation to the Club on her travels, and we are all so proud of the many accomplishments of this outstanding young woman.

Two very exciting events are coming up for our Club!

On August 22, the Twilight 5K takes place at Kelsey & Hutchinson Founders Park. [Click here](#) for more information and to register. See Derek Taylor if you are interested in volunteering.

September 10th is the Rotary Craft Beer Night at The Farm at Old Edwards. See Christy to volunteer, sponsor or reserve a table!

Also, please see me if you are interested in helping with the formation of our community based Rotaract Club. Other opportunities to be of service to your club include a new Hospitality Committee, so get on board!

Be a Gift to The World!

Christy

Foundation Message

HOW DID THE ROTARY FOUNDATION GET STARTED? The Rotary Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution in 1917 of \$26.50 from the Rotary Club of Kansas City, Missouri to more than 2.663 billion dollars in total contributions. The Rotary Foundation made its first grant of \$500.00 to the International Society for Crippled Children in 1930, and to this day, it continues to "do good in the world" in the name of Rotary.
