Message: Please remember to sign up to help with the Community Table dinner on Tuesday, February 20. We could use a few more helpers. Also, please remember to check with Jerry before or after the meeting to approach a business about contributing to the Sponsorship Program. Jerry has a list of businesses along with those that members have agreed to contact. Our members have done well contributing to the program, but we still have a way to go. I would love to have 100% participation. It creates a big selling point with businesses to say that all of our members are contributing. All contributions go to fund service projects during Jerry's year as president.

Is it fair to all concerned?
