January 15, 2019 – Bulletin & Newsletter Vocational Service Month

Message: I am regularly reminded of the many areas in our community the Rotary Club of Highlands is able to get involved and make a difference. Community Dinners is one of those areas and we are set to host another Community Dinner this Tuesday. If you would like to be a part of this community outreach, be sure to sign-up at the front desk on Tuesday. We will also be holding a board meeting this Thursday at 12 noon at Entegra Bank. If you would like to attend the meeting, you are always welcome.

As evidenced by Fred Smith's presentation on assisted living housing, our club clearly has a wealth of knowledge within its membership. Fred provided a different perspective on the assisted living facility industry and the direction it takes as our population ages. I am sure you were all comforted to hear the number one goal of the industry is to keep their customers/residents alive.

Today's Speaker

Jane Jerry will present "Literacy on the Move".

Is it the truth?
Is it fair to all concerned?
