March 5, 2019 – Bulletin & Newsletter Water & Sanitation Month

Message: As we begin the month of March, we can see a little light at the end of the tunnel that spring is not too far off. I also like that next week, we will start enjoying longer days with daylight savings beginning a little early this year. I hope everyone will get a chance to soak up the warm days that are interspersed with a little snow in the next few months.

Abbey Braswell and Kaine Matthews of the Macon County Tax Administration Office gave us background on how the most recent property revaluation was conducted. The Tax Office has a significant job keeping up with property values in an ever-changing real estate market. Jimmy Tate also provided us with some interesting facts on the significance of Highlands' property values and the amount of taxes paid by Highlands' property owners.

Four Way Test
Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better friendships?
Will it be beneficial to all concerned?
