April 16, 2019 – Bulletin & Newsletter **Maternal & Child Health Month**

Message: Congratulations to Chris Wilkes who won the NCAA Rotary Bracket Challenge. Chris will receive a custom-made pen and case from Pens with a Purpose. As we look ahead for the next few weeks, there will be lots of opportunity to get involved with the many service activities sponsored by our club, from the Golf Tournament to the Academic Banquet. Be sure to sign up for an activity that best suits you at the front desk at the next meeting.

Cayden Pierson, Nicole Taylor, and Kristopher Maglioce each gave a wonderful summary of the various activities that the 31 students from the 5th grade did while in Charleston. These activities included an eco-tour, visits to Fort Sumter and the USS Yorktown, and a plantation tour. The entire 5th grade class raised the money themselves to cover the trip cost. The trip to Charleston has been a yearly event for some time to help expose these young people to a city on an ocean which played a major role in American history.

Four Way Test
Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better friendships?
Will it be beneficial to all concerned?
