## May 14, 2019 – Bulletin & Newsletter Youth Service Month

Mary Adair Trumbly and Paul Schmitt presented the current and future state of The Performing Arts Center. The Performing Arts Center is a true gem to the Highlands community. This is clear when you look at the line-up for the current season, with everything from Elvis to locally produced Calendar Girls. It will also be exciting to watch the ambitious addition that is in the process come to fruition in the near future. I hope many of you will make it to the Performing Arts Center this season to enjoy the unique events that are scheduled.

## Rotary Club of Highlands Golf Tournament

Many of us enjoyed another well run Rotary Club of Highlands Golf Tournament under the leadership of Carter Davis and his hard working committee. The venue could not have been any better with Highlands Country Club opening their doors to us with great service offered by their staff. We were all grateful for the amazing weather and many are already preparing for next year. The winning team led by Dave Warth came in at 21 below par.

Is it fair to all concerned?  
Will it build goodwill and better friendships?  
Will it be beneficial to all concerned?
