October Anniversaries

Hank Ross	10/12
Derek Taylor	10/15
Dave Jellison	10/18

Four Way Test
Is it the truth?
Is it fair to all concerned?
Will it build goodwill and
better friendship?
Is it beneficial to all
concerned?

Brian Egler and Tom Graham

Scholar of the Month Program Begins!

We welcomed our first 2021 scholars at last week's meeting. Each month, faculty at the Highlands School select a Rotary Scholar of the Month from the elementary, middle, and high school. These students are recognized for their overall scholastic activities with a certificate of merit from the Rotary Club of Highlands.

This year we have added a little 'zip' to the program – thanks to Rotarian George Powell of the Highlands Aerial Park. Each scholar will receive a zipline tour to celebrate his or her achievement.

Several members have already volunteered for Highlands Halloween as road crossing guards and workers at the hotdog tent. We do need additional helpers to serve hotdogs, so please sign up at the next meeting. (You might even meet Cat-in-the-Hat!)

See you on Tuesday.
Tom Graham

Rotarian Brian Egler spoke to the Club last week about the Highlands Plateau Greenway. Its mission is to develop a system of walking and hiking trails in the Highlands area that both protect and connect natural settings and historic sites of Highlands. The trail system promotes the public enjoyment of the Highlands Plateau.

Incorporated in 2008, the Greenway has doubled from five to ten miles of trails that give residents and visitors a unique view of the Highlands Plateau. For information about the trails [visit the website here](#).

Scholars with Nicole Lui, school counselor and Tom Graham
