Four Way Test
Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better
friendship?
Is it beneficial to all
concerned?

Mark Chmar and Tom Graham

Rotarian Mark Chmar gave the club an update on the Highlands Motoring Festival which will be held June 9-12. Celebrating its 15th year, the event promises to be the best Festival yet. It has grown from a one-day car show to a four-day and evening Festival and has become one of the South's most popular automotive events. The Festival was voted Best Concours by Classic Motorsports Magazine in 2019.

A core goal of the Highlands Motoring Festival is to raise money for local nonprofit organizations. Last year the Festival awarded over \$80,000. The two automobiles pictured below, along with the other 2022 entries, can be viewed at the [Highlands Motoring Festival website](#).

Ducks Are in the Water and the Race Begins...

July 4th will be here before you can say "Duck Race!" It isn't too soon to gear up for Highlands 4th of July celebration and get our volunteers lined up. Rotarian Jerry Moore leads the Duck Race effort. Doc Wilson and Tay Bronaugh are in charge of grilling as we host a cookout for the public at the event. We project to grill and serve 1,000 hot dogs. Scott Carter will handle the overall volunteer groups, so see him to volunteer on the 4th.

See you Tuesday
Tom
