Four Way Test

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendship?

Is it beneficial to all concerned?

Rotary Club Speaker, September 6th

A very exciting speaker indeed, as our former District Governor, Isaac Olowabi stopped by to speak about the importance of membership. As always, it was an electric, exciting and informative speech as he talked about ways to not only grow your Rotary club by using Rotaract and offering to pay dues for new members that you know can make a difference, but to make sure that the new members are involved in true "service before self". Always a pleasure to have Isaac in town!
