Don't Miss Monte Carlo Night!

Last Chance for the Hottest Ticket in Town

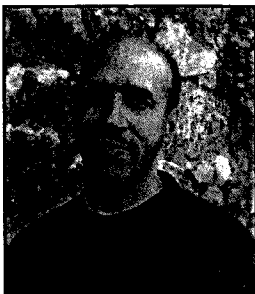

This Saturday night Highlands Rotary Club's Monte Carlo Night turns Sweet Sixteen – a fun show and great time for everyone. Many thanks go to sponsors, donors, volunteers and those who gave a little extra to make it happen. See you there!

Upcoming Programs

Tuesday, March 3

Dr. Jack Talmadge is the newly appointed director of Summit Charter School in Cashiers, NC. A native of Atlanta, Jack spent the past 20 years in Virginia working in independent and Catholic schools. Today he will address the new adventures taken on by Summit during the 2008-09 school year.

Tuesday, March 10

“Our Green is Our Gold,” - what makes our mountain region ecologically fascinating - geological and ecological factors and some of the threats faced by the region. What's happening at the Biological Station – facilities and areas relating to the study of regional biodiversity, conservation biology, and education.
